Alight offers innovative global payroll solutions, integrating advanced technology to anticipate unique needs. With a client-centric approach, we ensure compliance and drive continuous improvement for streamlined business growth.

Ebury Mass Payments is the world's leading payment solutions provider for the HR/payroll industry. We deliver payroll and statutory payments across major and emerging markets in more than 140 currencies through a single platform.

UKG One View delivers market-leading multi-country payroll solutions across more than 160 countries and in more than 20 languages. One View provides multinational organizations with a fully comprehensive, truly global solution that is best fit to meet their unique needs.

Mercans provides a cutting-edge, single universal, gross-to-net payroll engine, seamlessly integrating with clients' existing technology infrastructure to deliver gross-to-net computation across 100 countries.

Polite Payroll specializes in fully managed payroll services, tailored for U.S. companies with Canadian-based employees or those expanding into Canada. Our streamlined payroll services are tailored to simplify cross-border payments, helping you quickly and compliantly build and pay your workforce north of the border.
