

Leadership Edge

Featured

Mentor

Linda Obertin, CPP

Linda is a seasoned senior leader with over three decades of global leadership experience spanning Human Resources, Workforce Administration, Contingent Labor, and Payroll Shared Services. She has held senior roles within Fortune 100 corporations, leading transformational initiatives across Finance and HR functions. Her expertise includes managing complex service delivery models for populations up to 300,000 employees across 70+ countries. Her strategic oversight has consistently delivered significant improvements in efficiency, compliance, and employee experience.

A recognized thought leader in the payroll industry, Linda has been honored by PayrollOrg (formerly American Payroll Association) with the Certification of Merit and named Payroll Woman of the Year. She served as APA President in 2010 and became the inaugural President of PayrollOrg in 2021. Her governance experience includes Vice President and Director roles on the PayrollOrg Board of Directors, and Industry Advisory Boards
